This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

OFFICERS OF COMPANIES AT CARLISLE.

Monday, October 6, 1777.

Journals of the American Congress.

* * * * * * * * *

The Board of War brought in a report: Whereupon,

* * * * * * * * *

Resolved, That two companies be raised on continental establishment for the purpose of guarding the stores at Carlisle; these companies to have no bounty, and to be inlisted for one year, unless sooner discharged by Congress, under an engagement from Congress that they shall not be removed from Carlisle, nor be ordered on any other service. That James Armstrong Wilson be appointed to one of the said companies, with the rank and pay of a major, and that Samuel Postlethwaite be appointed captain of the other company.

* * * * * * * * *

Monday, October 20, 1777.

The Board of War brought in a report; whereupon,

* * * * * * * * *

Resolved, That Samuel Allen M'Crosky and George Stevenson, Jun., be appointed first lieutenants; Andrew Colhoon and John McCurdy second lieutenants, and William Montgomery and David Holmes ensigns, in the two regular companies appointed to be raised on continental establishment, for the purpose of guarding the stores at Carlisle; and that commissions be filled up for them accordingly.

Officers of Two Companies to Guard the Stores at Carlisle.

Captain.

ROLLS OF PENSIONERS

WHO SERVED IN THE

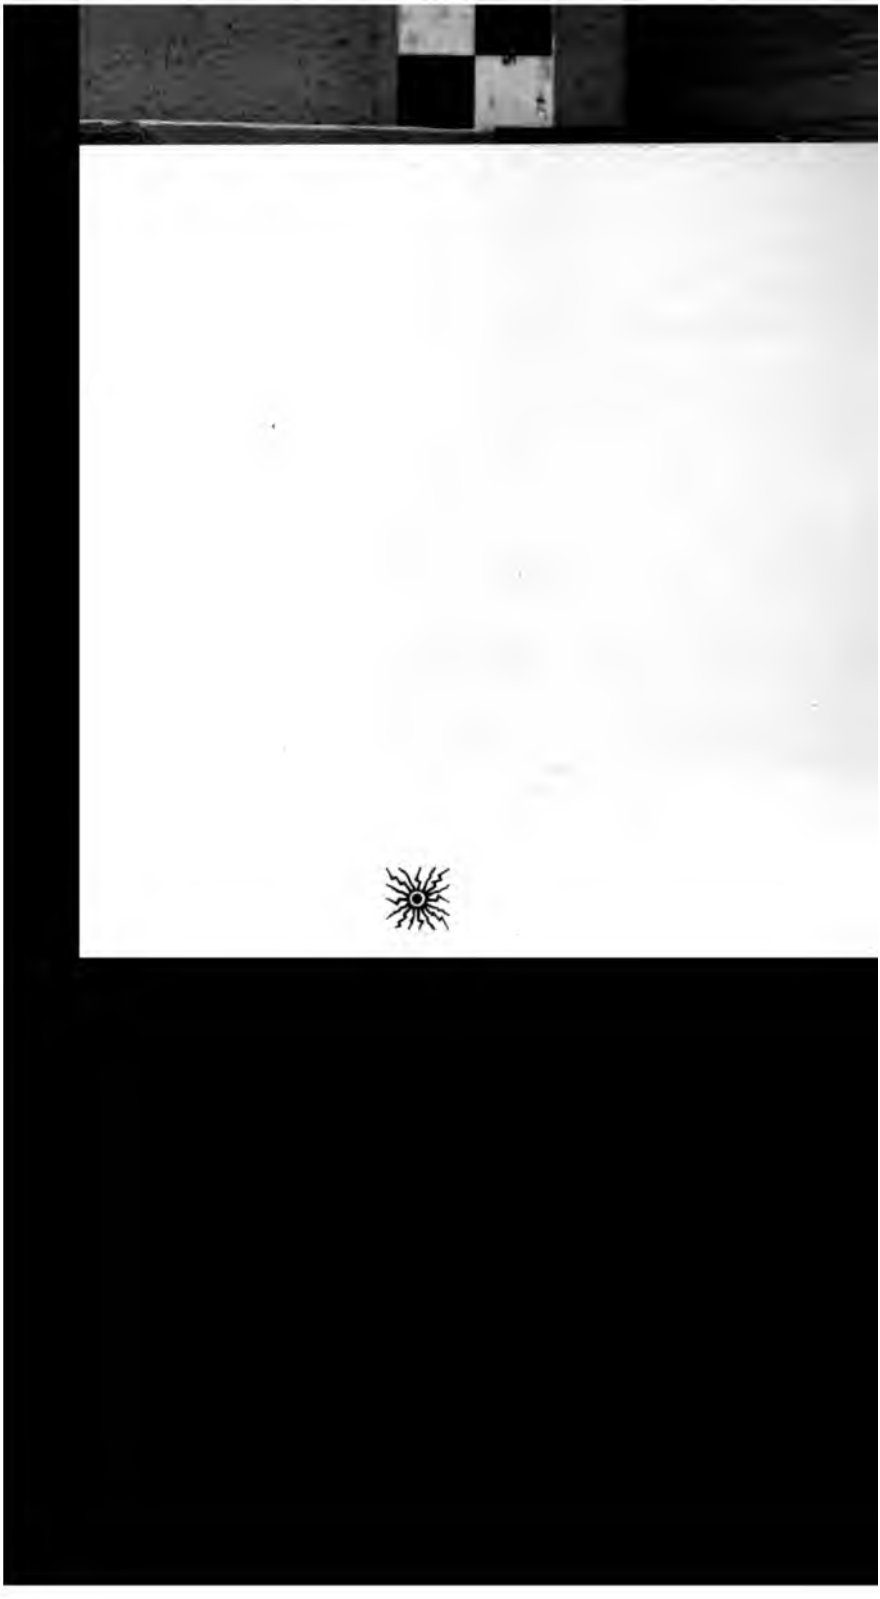
War of the Revolution

And Subsequent, Belonging

TO THE

State of Pennsylvania,

WITH THEIR RESIDENCE.



PENSIONERS OF THE REVOLUTION, AND SUBSEQUENT WARS FROM PENNSYLVANIA.

[From the official records of the Federal Government we glean the names of the Pensioners of the Revolution who served from Pennsylvania, and who, at the time the pensions were granted, were residing in different sections of the Union. The record gives date of granting pension with age at the time, and, in many instances, date of death. This list also includes those pensioned by order of Congress serving or disabled in subsequent wars, as stated.]

MAINE.

Joseph Legrow, pr. P. L., Hancock co., May 19, 1818; 80.
